1. Reference f is quoted below:

"The NSC Planning Board has discussed the problem raised in your memoranda (References C and D), at its meetings on Tuesday, May 17 and Friday, May 20, 1960, and agreed that it is the responsibility of any agency interested in having the Foreign Radio Frequency Usage Reference Facility, or any portion of it, maintained within the U.S. Government to take any further initiative in the matter. The Planning Board asked that you be advised of the foregoing.

"The Planning Board also asked that you be advised that it does not believe that consideration of the matter by the Council is now necessary, unless you request otherwise."

2. Accordingly, CIA will cease Radio Stations Branch operations as of 30 June 1960.

3. Departments or Agencies interest in the disposition of the RSB files should be ascertained by CODIB members. This will be an item on the Agenda of our next meeting.
